

New Charter Academy admission arrangements 2010/2011

THE ADMISSION OF PUPILS TO NEW CHARTER ACADEMY

1. This document sets out the admission arrangements for the New Charter Academy. These arrangements are without prejudice to the provisions of Annex 3 to this agreement. The document forms an Annex to the Funding Agreement between New Charter Academy and the Secretary of State. Any changes to the arrangements set out in this document must be approved in advance by the Secretary of State.
2. The Academy will act in accordance with, and will ensure that the Independent Appeal Panel acts in accordance with all relevant provisions of the statutory codes of practice (the School Admissions Code of Practice and the School Admission Appeals Code of Practice) as they apply at any given time to maintained schools and with the law on admissions as it applies to maintained schools. Reference in the codes to admission authorities shall be deemed to be references to the governing body of the Academy. In particular, the Academy will take part in the Admissions Forum set up by Tameside Metropolitan Borough Council and have regard to its advice; and will participate in the co-ordinated admission arrangements operated by Tameside Metropolitan Borough Council.
3. Notwithstanding these arrangements, the Secretary of State may direct New Charter Academy to admit a named pupil to New Charter Academy on application from an LA. Before doing so the Secretary of State will consult the Academy.

I: ADMISSION ARRANGEMENTS APPROVED BY SECRETARY OF STATE

4. The admission arrangements for New Charter Academy for the year 2010/2011 and, subject to any changes approved by the Secretary of State, for subsequent years are:
 - a) New Charter Academy has an agreed admission number of 270 pupils. New Charter Academy will accordingly admit at least 270 pupils in the relevant age group each year if sufficient applications are received;
 - b) New Charter Academy may set a higher admission number as its Published Admission Number for any specific year. Before setting an admission number higher than its agreed admission number, New Charter Academy will consult those listed at paragraphs 18-19 below. Pupils will not be admitted above the Published Admission Number unless exceptional circumstances apply and such circumstances shall be reported to the Secretary of State.

Process of application

5. Applications for places at the Academy will be made in accordance with LA's co-ordinated admission arrangements and will be made on the Common Application Form provided and administered by Tameside Metropolitan Borough Council. New Charter Academy will use the following timetable for applications each year (exact dates within the months may vary from year to year) which, whenever possible, will fit in with the common timetable agreed by Tameside Metropolitan Borough Council Admissions Forum:
 - a) September - New Charter Academy will publish in its prospectus information about the arrangements for admission, including oversubscription criteria, for the following September (e.g. in September 2009 for admission in September 2010). This will include details of open evenings and other opportunities for prospective pupils and their parents to visit the school. New Charter Academy will also provide information to the LA for inclusion in the composite prospectus, as required;
 - b) September/October - New Charter Academy will provide opportunities for parents to visit the Academy;
 - c) 16th October 2009 - CAF to be completed and returned to the LA to administer;
 - d) 11th November 2009 - LA sends applications to Academy;
 - e) 11th December 2009 - Academy sends a ranked list to the LA;
 - f) 19th February 2010 - LA notifies schools which pupils have been allocated;
 - g) 1st March 2010 offers made to parents.

Consideration of applications

6. New Charter Academy will consider all applications for places. Where fewer than 270 applications are received, New Charter Academy will offer places to all those who have applied.

Procedures where New Charter Academy is oversubscribed

7. Where the number of applications for admission is greater than the published admissions number, applications will be considered against the criteria set out below.
 - a. Children in Public Care (Looked After Children).
 - b. Children and families with exceptional medical or social needs¹.

¹ Written evidence must be provided from a doctor or other agency that he/she has exceptional needs which means that admission to a particular school is essential, for example, reference will normally be made to the Community Health Physician, Social Services, or the Educational Psychologist, as appropriate. A panel of governors from the Academy will make a decision as to whether to admit a child under this criteria using the evidence provided. All information provided will be treated in the strictest confidence.

- c. Sibling - this will apply where there are brothers or sisters attending the school at the time of admission².
- d. Children attending LA maintained primary schools in Tameside and pupils educated at home at the time of application, as identified by Tameside MBC.
- e. All other applications on distance³. In the event of distances being the same for 2 or more applications where this distance would be the last place/s to be allocated, a random lottery will be implemented between the applications where the distance is the same. The random lottery will be carried out in a public place and supervised by someone independent of the Academy. All the names will be entered into a hat and the required number of names will be drawn out.

Operation of waiting lists

- 8. Subject to any provisions regarding waiting lists in the LA's co-ordinated admission scheme, the Academy will operate a waiting list. If the Academy is oversubscribed the governors will maintain a waiting list. The waiting list will operate until the end of the autumn term 2010 for those parents who have submitted an appeal or who have opted to go on the list. All pupils on the waiting list will be ranked according to the oversubscription criteria. Places will be offered, should any become available, to the highest ranked application received by the date the place becomes available. If new or late applications have a higher priority under the oversubscription criteria, they will be ranked higher than those who have been on the list for some time. A significant change of circumstances, such as a change of address, will be taken into account: evidence must be provided. Children who have been referred under the local authority's Fair Access protocol or who are the subject of a direction by the local authority to admit must be given precedence over any other children on the waiting list. Where in any year New Charter Academy receives more applications for places than there are places available, a waiting list will operate until a month after the admission date. This will be maintained by New Charter Academy and it will be open to any parent to ask for his or her child's name to be placed on the waiting list, following an unsuccessful application.
- 9. Children's position on the waiting list will be determined solely in accordance

² The sibling criterion includes; natural sisters/brothers; half sisters/brothers; step sisters/brothers; adopted sisters/brothers; sisters/brothers of fostered children, and in each case living at the same address. This allows for the admittance of children whose siblings will still be attending the preferred school. In cases where twins, triplets or other multiple birth siblings are split when allocations take place, siblings will be offered a place at the same school which may not be a preference school named on the CAF.

³ The address from which distances are measured will be the residential address, at the time of place allocation, of the parent (as defined in the introduction to the TMBC Moving On booklet, "We're Here to Help"). The Academy will not take into account an intention to move to another address without a solicitor's letter confirming an exchange of contract for purchase of a property, or a long-term agreement for renting a residential property. When a child lives with parents who share responsibility, each for part of a week, the home address, for the purpose of distance measurements and travel considerations, will be that from which the child travels to school for the majority of school days during a normal school week. Distance is measured as a straight line from the home address to the school's main gate, using the address point assigned by Tameside Council Master Address Database, The Local Land and Property Gazetteer, to the main gate to the school property. Measurements will be made using the local authority's school admissions data mapping software, which employs a Geographical Information System based on Ordnance Survey.

with the oversubscription criteria set out in paragraphs 7a - e of this Annex. Where places become vacant they will be allocated to children on the waiting list in accordance with the oversubscription criteria.

Arrangements for appeals panels

10. Parents will have the right of appeal to an Independent Appeal Panel if they are dissatisfied with an admission decision of New Charter Academy. The Appeal Panel will be independent of the Academy. The arrangements for Appeals will be in line with legislation and the Code of Practice on School Admission Appeals as it applies to Foundation and Voluntary Aided schools. The determination of the appeal panel will be made in accordance with legislation and the Code of Practice on School Admission Appeals and is binding on all parties. The Academy will prepare guidance for parents about how the appeals process will work and provide parents with a named contact who can answer any enquiries parents may have about the process.

19. Conditional offers will be made for a place at the Academy. Once an offer had been made the Academy will aim to allow pupils to follow their first choice combination of subjects requested. Where this is impossible, for reasons such as time table clashes or oversubscription of particular subjects, guidance will be offered regarding suitable alternatives.

Operation of waiting lists

- 28. Where in any year, the Academy receives more applications for places than there are places available, a waiting list will operate for one school term after the published admission date.
- 29. This will be maintained by the Academy and it will be open to any parent to ask for his or her child's name to be placed on the waiting list. A student may independently ask to be placed on the waiting list. This will be subject to the Academy being oversubscribed and the oversubscription criteria being met. fostered children and in all cases living at the same address. Proof of relationship may also be required. Where the last place to be allocated would mean that a sibling group i.e twins, triplets or other multiple birth sibling groups would be split, the sibling group would be given priority over other children

⁷ The address from which distances are measured will be the residential address, at the time of place allocation, of the parent (as defined in the introduction to the TMBC Moving on Booklet, "We're Here to Help") The Academy will not take into account an intention to move to another address without a solicitors letter confirming an exchange of contracts for the purchase of a property, or long-term agreement for renting a residential property. 34. Subject to any provisions in the LA's co-ordinated admission arrangements relating to applications submitted for years other than the normal year of entry, the Academy must consider all such applications and if the year group applied for has a place available, admit the child. If more applications are received that there are places available, the oversubscription criteria shall apply. Parents whose application is turned down are entitled to appeal.

Arrangements for admission of pupils as New Charter Academy builds to its full capacity

35. New Charter Academy will open on 1 September 2008 with a Published Admission Number relating solely to pupils in Year 7. 36. During the period from 1 September 2008 to the admission of Year 7 in September 2008 to New Charter Academy there will not be a Published Admission Number against which to consider applications for admission to all Year groups.
